

EZRAIDER

ALL-TERRAIN ACCESSIBILITY

EZRAIDER ACCESS™

Ezraider Access™ offers greater customization and accessibility for wheelchair users, crutch users, or people with other physical impairments to the outdoors & urban areas.

GO ANYWHERE

Go off the beaten path and enjoy new and amazing diverse landscapes, ranging from beaches, forrests, and valleys, to desert dunes and mountains in ways you never thought were possible!

With the Ezraider Access™ you can go anywhere and turn any curb into a water play.

An innovative seating system that lowers & swivels the seat to the height of a wheelchair as well as a foldable and adjustable handlebar for easier access and riding.

INCREASED INDEPENDENCE

The Ezraider Access™ allows for greater independence to get in or out of the vehicle by using our innovative seating system that swivels and lowers the seat to the height of a wheelchair.

In addition, the handlebar can be folded and adjusted easily.

SMOOTHER RIDE

With high ground clearance and our patented suspension system, you will experience maximum cushioning, improved comfort wherever you choose to go.
