E60 Pro/E60 Pro-A

E60 Pro/E60 Pro-A is the first of its kind, smart, off-road power wheelchair launched by ROBOOTER. It delivers high endurance and fast driving speed, we think you will agree that it is the perfect blend of design and function.

Magnesium Aluminum Alloy

Light weight, loading 150kg.

Multifunctional armrest

Built-in front lighting, USB/USBC charging port.

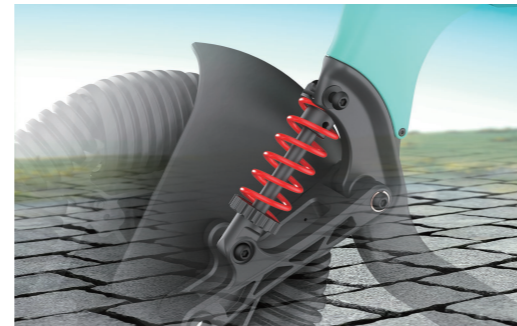

Storage designed to go with you

Water-repellent large-capacity backpack and mesh pocket, loading 10kg.

BUILT TO PROVIDE THE ULTIMATE IN OFF-ROAD DRIVING

Front independent suspension system

Adjustable suspension spring with strong spring coils, ride in comfort.

12-inch front and rear wheels, obstacle clearance height up to 3.1-inch.

The front wheels are omnidirectional and can move laterally, making it easy to cross and turn in narrow spaces.

3.1-inch
Maximum obstacle crossing height

5.9-inch
Maximum ditch width

15°
Climbing angle

33.5-inch
Minimum turning radius

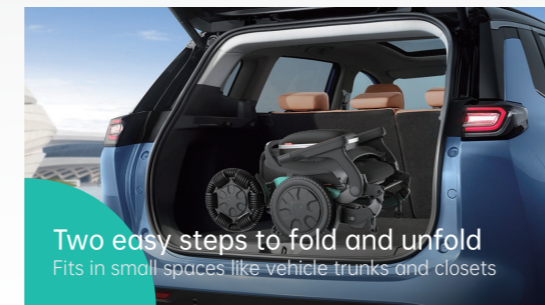

Adjustable back

The E60 Pro-A back angle can reach 8-38°, relieving back fatigue and soreness.

Adjustable seat width

Adjust the width between the armrests from 17.9-20.3", for personalize comfort.

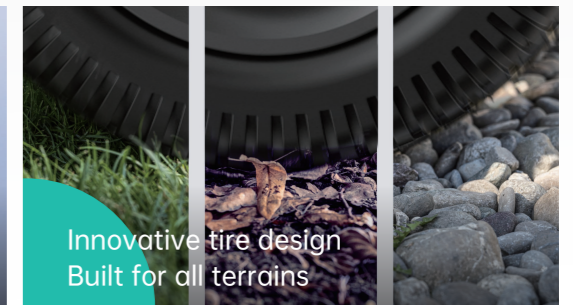

Two easy steps to fold and unfold
Fits in small spaces like vehicle trunks and closets

App with Bluetooth Connectivity
Adjust setting, monitor device, and even remotely drive!

BMS intelligent management system
for lithium batteries

Innovative tire design
Built for all terrains
